This form applies to properties subject to zoning established in Chapter 1A of the Los Angeles Municipal Code (LAMC). For properties subject to zoning established in Chapter 1 of the LAMC, please use form [CP-4097](#). For more information on a property's applied zoning, visit zimas.lacity.org

This form is to serve as a referral to the Los Angeles City Planning's Development Services Center (DSC) for One Hundred Percent Affordable Housing Project cases filed under the Affordable Housing Incentive Programs of [LAMC Sec. 9.2. \(Affordable Housing Incentive Programs\) of Chapter 1A](#), in addition to the required City Planning Application and any other necessary documentation; and to the City of Los Angeles Housing Department (LAHD), Department of Building and Safety (LADBS), or other City agency for project status and entitlement need purposes. All Applicants are required to provide a complete set of architectural plans at the time that this form is submitted for review. Any application submitted that is missing any required materials will be considered incomplete and will not be reviewed until all materials are submitted.

This form shall be completed by the Applicant and reviewed and signed by City Planning DSC Affordable Housing Services Section (AHSS) Staff prior to filing an application for an entitlement or administrative review. Any modifications to the content(s) of this form after its authorization by AHSS Staff is prohibited.
