

# Mobility and Connectivity Improvement Opportunities

## PURPLE LINE TRANSIT NEIGHBORHOOD PLAN

**Major Intersection improvements could include:**

- Clearer roadway markings
- Colored crosswalks
- Scramble crosswalks
- Wayfinding signage
- Curb extensions

**Pedestrian improvements could include:**

- Mid-block crosswalks
- Curb extensions
- Sidewalk amenities (benches)
- Traffic calming measures
- Street trees/landscaping improvements

**Bicycle paths could include:**

- Bike parking corrals
- Maintenance stations
- On-street bike markings
- Protected bike lanes
- Bike signage
- Traffic calming

**Alleyway improvements could include:**

- Improved and/or permeable paving
- Landscaping
- Amenities (seating, lighting)
- Access to businesses

**School intersection improvements could include:**

- Waiting areas
- Curb extensions
- Scramble crosswalks

**Median landscape improvements could include:**

- Bioswales
- Drought-tolerant planting
- Improved tree canopy
